Keep it Kool!

Welcome to our new 2014 **PetRageous Designs®** catalog!

2014 marks our TENTH year of creating fun, functional, and outrageous pet products for you and your customers! We have worked so hard the past ten years to expand our brand past just wonderful stoneware bowls to become a complete pet center for you.

We at **PetRageous Designs®** are completely devoted to our own pets, so we truly understand your customers and we are committed to making our business all about the pet. We put our love and joy into each product. In the end the owner loves the item just as much as the pet does!

Our new collection for 2014 features new items in all categories, from stoneware bowls and new placemats to dresses and fun t-shirts. Additionally we have created lots of fun, whimsical new things for playtime like our can't-miss FloatRageous Toys! As you look through this catalog you'll find all of our **NEW** items as well favorites that have been our best sellers year after year.

In closing, I would like to say THANK YOU for your continued support throughout the past TEN years! Each of you has helped us to reach our goal of becoming a full pet-accessory line for your stores. For that, and for your dedication to pets, we at **PetRageous Designs®** are forever grateful.

Again, THANK YOU and here's to another great year!
